I. Home page

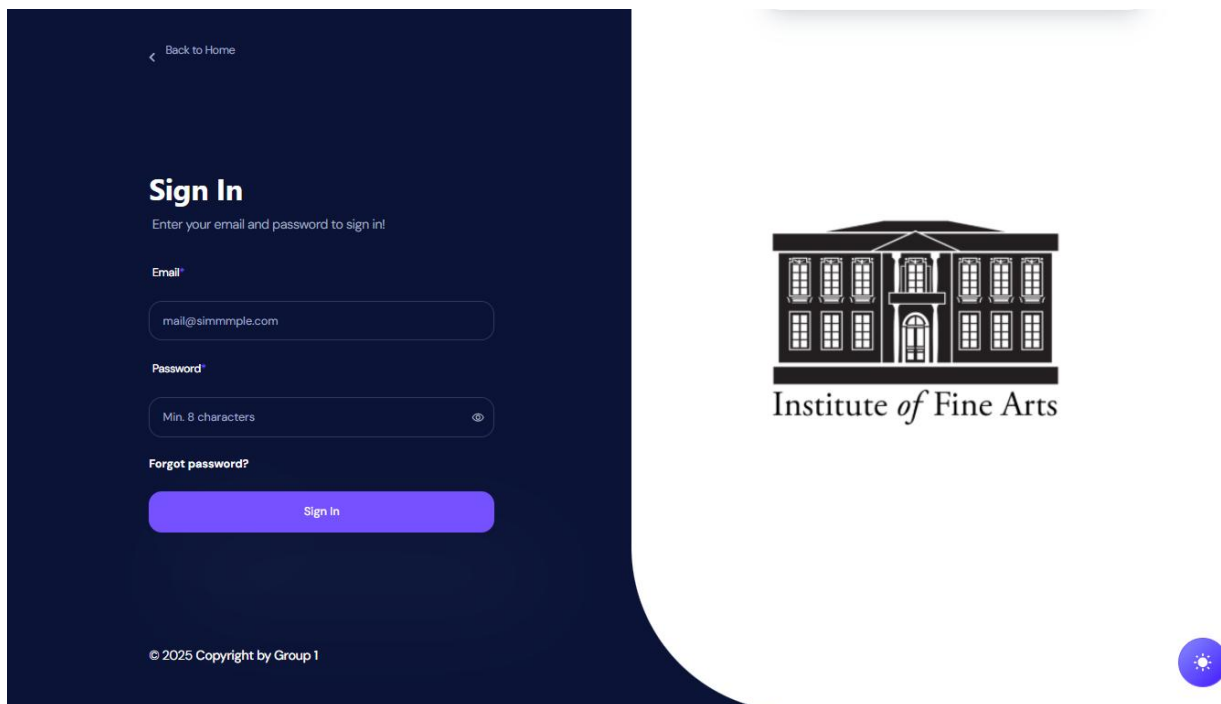

The screenshot shows the top navigation bar with the Institute of Fine Arts logo and a 'Login' button. Below the navigation bar, there are two main sections: 'Exhibition List' and 'Contest List'. Each section has a search input field labeled 'Search by name...' and a dropdown menu set to 'All'. Below each section, there is an error message: 'Error: Failed to fetch'. At the bottom of the page, there is a copyright notice: '© 2025 Your Company. All rights reserved.' and social media links for Facebook, Twitter, and Instagram, along with a link to 'Our policy'.

- You can login :

II. Login page, about us

The screenshot shows the login page of the Institute of Fine Arts. The page has a dark blue background. At the top left, there is a 'Back to Home' link. The main heading is 'Sign In', followed by the instruction 'Enter your email and password to sign in!'. There are two input fields: 'Email*' with the placeholder 'mail@simmple.com' and 'Password*' with the placeholder 'Min. 8 characters'. Below the password field, there is a 'Forgot password?' link. A large blue 'Sign In' button is positioned below the input fields. At the bottom left, there is a copyright notice: '© 2025 Copyright by Group 1'. On the right side, there is a logo of the Institute of Fine Arts, which features a classical building facade and the text 'Institute of Fine Arts'.

- Accounts are created and managed by administrators only.
- When you log in for the first time, you will have to change your password.

ABOUT US

Who We Are

The Institute: your destination for the past, present, and future of art.

The Institute is a thriving center of advanced research and graduate teaching in art history, archaeology, and art conservation. A site of knowledge production since its founding in 1932, the Institute has also produced many of the world's leading art historians, museum directors, curators, and conservators. Learn more about what's happening at the Institute in the Annual

What We Do

The Institute: a community of learning

Institute students join a tradition of research excellence and share in the latest thinking. They are prepared for careers in the art world, in museums, in conservation, and in universities. We offer the following degrees and fields of study:

IMAGINE

Thoughtful and Considered

Everything we create is designed to tangibly improve your rest.

The University of Fine Arts is one of the leading institutions for art education, dedicated to nurturing and developing creative talent in the field of fine arts. With a team of experienced and highly skilled faculty, the university provides a dynamic learning environment that encourages students to explore and enhance their artistic abilities. The university offers a diverse range of programs, from painting, sculpture, graphic design, to applied arts, equipping students with both theoretical knowledge and practical experience. Students are prepared with the skills, knowledge, and creative thinking required to succeed in both the local and international art markets.

For Competition Result Management, teachers can view both temporary results and final results of organized competitions.

The final result table can only be generated once all members of the judging panel have completed evaluating all submissions.
Based on the competition results and the associated award structure, a list of winning entries will be generated and displayed on the Student Award page.
